

3B Medical Recognized by Inc Magazine as the 53rd Fastest-Growing Private Company in Florida

Winter Haven, FL, March 16, 2021 – *Inc.* magazine today revealed that 3B Medical is No. 53rd on its annual Inc. 5000 Regionals: Florida list, the most prestigious ranking of the fastest-growing Florida-based private companies. Born of the annual Inc. 5000 franchise, this regional list represents a unique look at the most successful companies within the Florida economy’s most dynamic segment—its independent small businesses.

“3B Medical is proud to call Central Florida home. We would love to be the catalyst to building a med-tech focused economy in our area. Our incredible year over year growth has been exciting to be a part of,” said Justin Smith, 3B Medical’s Chief Operating Officer.

The companies on this list show stunning rates of growth across all industries in Florida. Between 2017 and 2019, these 250 private companies had an average growth rate of 202 percent and, in 2019 alone, they employed more than 83,000 people and added nearly \$11 billion to the Florida economy. Companies based in major metro areas—Miami, Fort Lauderdale, Jacksonville, Tampa, and Orlando—brought in the highest revenue overall.

“This list proves the power of companies in Florida no matter the industry,” says Inc. editor-in-chief Scott Omelianuk. “The impressive revenues and growth rates prove the insight and diligence of CEOs and that these businesses are here to stay.”
